Truesec acquires Venzo Cyber Security A/S, a leading Danish cyber specialist organization.

Press release – June 1, 2023

Today, Truesec announces the acquisition of the Danish company Venzo Cyber Security A/S. The purpose of the acquisition is to further strengthen Truesec´s position as preferred cyber partner in Northern Europe, preventing cyberattacks and minimizing impact.

Truesec´s acquisition of Venzo Cyber Security A/S, a former Venzo Group company, marks an important step for Truesec on its mission to create a safe digital future, as well as to further strengthen its cybersecurity capabilities.

"The acquisition of Venzo Cyber Security A/S significantly enhances our cyber defense capabilities, enabling us to better protect society from cyberattacks. We are excited to welcome the team to Truesec, as their expertise combined with our cyberspecialists in Denmark will make a significant difference in creating a safer society for all organizations in Denmark and Northern Europe", says Anna Averud – CEO of Truesec Group.

"We are pleased to have found a new owner for our group company, Venzo Cyber Security A/S, and we are very happy on the team's behalf. In Truesec, they will become part of a dedicated security firm with a global reach, while VENZO continue to pursue our strategy of delivering large multi-disciplinary digital transformation programs in Denmark and the Nordics" says Søren Luplau-Pagh, CEO of VENZO Group

"This is a significant step forward and will further strengthen Truesec's offering in Denmark and the Nordics. At Truesec our ambition is to secure Europe´s society against cyberattacks. With our strong team, we're better equipped to proactively prevent cyberattacks and minimize their impact" says Morten von Seelen, CEO Truesec Denmark

The acquisition is expected to be completed 1st of June 2023.
